

VOLUNTEER COLLECTIONS TEAM

NORMAL VOLUNTEERING HOURS: 8 /8.30 A.M. - 4 /4.30 P.M.

Volunteering on the collections team means working alongside the collections team at all times. This involves going out on the van to building sites and local businesses collecting waste wood to either bring back to our yard or to a waste transfer station.

The work is physical and rewarding and involves going to a range of areas in the west Yorkshire region as a van drivers mate. You will be given full Health and Safety training as well as gaining experience 'on the job', learning from our staff.

WHAT YOUR ROLE WILL ENTAIL:

Duties include

- Collecting timber from building sites and other organisations
- Learning to identify reusable timber, taking the appropriate waste wood to waste transfer stations
- Delivering customer orders
- Sorting and reusing wood waste from collections
- Working to reduce the amount of wood that gets 'chipped' by supporting the key aims of 'reuse' and 'repurpose' set out by the Leeds Wood Recycling ethos.
- Preparing timber for sale at our premises, cutting, de-nailing, stacking in correct places.
- Keeping the yard/ storage areas clean and tidy and in good order
- Learning to use hand tools and some power tools

At all times you will be expected to

- Help us to [provide a high standard of service to all our customers
- Ensure that Health and Safety standards are maintained by yourself

WHAT WE OFFER

- Money towards travel and lunch expenses
- Work experience and references
- CSCS Training/ card (3 months minimum volunteering)
- Access to a range of training opportunities and certificates/ qualifications

If you want to be part of a great bunch of people, care about recycling, like the idea of one of the roles above and have time you can commit to volunteering, get in touch for a chat or to apply.

MINIMUM 4 HOURS COMMITMENT PER WEEK
